

# A DAY IN THE COLONY

that the houses were bigger in the city side and in the country side. The city side was more advanced and the country side was more poor. That also 300 years ago some parts of the city were built on hills and today they are lower. Many things and the things that they sleep on the ground.

1) the difference between the city side and the country side. The city is more advanced and with more Spanish and the country side is more poor and more poor people.

2) the aspects that caught my attention and the women.

3) some things that we have in common. One food, toilet, and a cloth.

to wake up super early.

but so many things because they have

2) that they have to go to sleep early.

3) yes for example the games.

1. that in the country side the note like stock and there is not so many people there in the city.

2. the parties like the parties of the ching and the ching.

3. because she walks that she is now.

Also have, 300
