A LUE ARE impression.
The present miles have the present present the present presents. D. Wax Ide house 11 in the cited they they to the they are the converted to the they have a second to the they have they are the they are the are they are the are they are t 2 (all my aberton how prople live and all the differences the courty site and the city of the common things between 11-12 and along and the second classes of me people and in the city lie the most important in the County wide Unto the Field 3. that the vendeda 3. yery the coil mor in Jacis Athat the Boysin the Not Have titudo COLON QUESTIONS QUESTIONS Luciamo Mocca F Luciding Agent Carla manoilla the pah K. in the sity they was a most to be because and the because they have The Euch was re-Other the boys go to school in the sity and ind courty side a six course, may ation com som see 2) they clouthing 3) the Ethiching and the games the Good. 2. What called my attention was true girls, in the course side and in the city, work in the boases. 4.The main differences with the city where the most important people. there are booming 1) how do they live, they houses, they works, Caratrus moles 3. Ves. One thing in common sixther theorem and social classes, there are social classes, but now all mane some rights for not power 1 that in Question. Maybe, That in the City the houses have conting of where of woods and in the conting S. D. The Ming And cargad my other on may be only that of the School of the School of the James has her sener CANGGE PANJE THERE OF YES PARE VENDRAS IN STREET AND CHIMMIN MENDS. The city had only one floor to the vent collabor in case of an earth-garke, and that the constructed to hadies. @ yes, that they have the same suite blind man hacienated by marienated by considerates and large and confortable houses that that the city were a houses than The many difference is that in the country side live the most of people and unthe eith live the most important people. That the Rids work a lot and that only the boys con go to the school a was where the condition of the conditi 3 yes the thing they hay say as classes. that it the court to the court to the fact that the fact that the court to the fact that the fact to t 1. that is the courty side of the stock and there is not so hand People than it the oity mayers were bigger in the city the rich ferson and bour so many things, loccauce they haved
2) That they have to go to sleep 3) Yes FOR exaMile As the Patrus like the new ones 53. Des the only of the patrus of the ones that the steel of walks that it is now that in a like now. Matins I a that do so years egg yes that today to bild our house in many to bild our the things that the the The controlled and city of the majority of the special of the majority of the 3 Sane things that we have in control close the tradition and 2) the aspects that caught my atention a Matios L the games well

Clementer. 3) rece decternate bise 1) that there were people for people TOMAS MOLY PARCE Debut histour his The difference courty side for me and in the following the food in the courty me and in the courty i 1: their houses and daily life Jobs and etentwy attention
was that they on
need to wake up
and go to wash
ond shave a hap
to the cot 3 hours 3: SOME OF we can ser Pascall 3 NO the house and boxs the main of forces we then the count of the trip sold in the count of only one floor and that the girls stay in 1: the difference is that in the city live important people and in county-side no. the house have

3) pes because in the colony life welve things that we have nowadays.

() Keijobs, foodponness and cloth,

and the men to sell candy on the street. men ho

3) The compon things are somes
